MEMORANDUM FOR: Director, Office of Current Production  
and Analytic Support, DI

THROUGH: Acting Deputy Director for Intelligence

FROM: Executive Secretary

SUBJECT: Kudo

STAT I wanted to bring to your attention the fine work done by [redacted]  
STAT [redacted] who was Senior Duty Officer in the Operations Center on the  
night of 26 August. After consulting with me, Frank personally dealt  
STAT with several components to effect delivery of very sensitive information  
STAT to the DCI [redacted]

Due to the nature of the information, [redacted] was not able to discuss  
the nature or substance of his support with anyone; nevertheless, I  
wanted you to know how much his discrete and effective role was  
appreciated. It is another example of how important, and effective, the  
role of the Senior Duty Officer is.

STAT Well done!
